Oakland URBAN WINE TRAIL

A trip to Oakland isn't complete without tasting a little local flavor. Like everything else in Oakland, our wine scene is a little different. Oakland's urban wineries are housed in renovated warehouse spaces, but the wine quality is second to none. Being so close to California wine country doesn't hurt either, grapes are sourced from all over the state. Head out on Oakland's Urban Wine Trail, stopping along the way to shop, eat and explore all that Oakland has to offer. Best of all? The trail is walkable, and easily accessible by public transportation, including ferry service, Amtrak, BART and Oakland's free Broadway shuttle.
