Technical Certification Exams

Available onsite at the Aspire 2019
Partner Ready Certification and
Learning Testing Center

Exam offering and policies:

A total of 3 exam attempts (max of 2 HPE0/HPE06 exams and 1 HPE2 voucher – valid only for the exams listed within the exam guide and during the week of HPE Aspire) are offered at no charge as part of the HPE Aspire conference package.

- Proctored exams (HPE0/HPE6) can only be taken onsite during the open hours of the Testing Center.
- HPE2 online exam voucher can only be used during the week of Aspire May 19 – May 23, 2019
- Only exams listed in the attached overview can be taken at the Testing Center.
- Practical exams will not be offered at Aspire.
- A maximum of 2 attempts for the same HPE0/HPE6 exam is possible provided you have not failed that exam twice within the last 14 days. The standard exam [retake policy](#) applies.

Prepare for your exams:

Make the most of this opportunity and come prepared for your exams! You can order a select set of exam self-study guides from HPE Press (hpepress.hpe.com) to help you prepare for your exams. Make sure to use the promo code below to save 30% off all study guides and order early, especially if you order books that require shipment. EBooks are available immediately upon purchase.

To review certification paths and prerequisites, please visit <https://certification-learning.hpe.com/tr/certificationpaths>
To review certification upgrade paths, please visit <https://certification-learning.hpe.com/TR/certifications> and filter by “Upgrade paths only”

Special HPE Press discount for HPE Aspire attendees:

- 30% off HPE Press Books
- Enter this promo code upon checkout: HPEASP19. Promo runs from May 1 to May 31, 2019.
- Visit HPEpress.hpe.com to see available titles.

Exam Check In:

- To facilitate a quick and smooth process for taking exams, it is important that you have your HPE PearsonVUE login details ready.
- You will also need a photo ID (passport, identity card or driver's license) to prove your identity.
- If you need to create an account, please visit <http://www.pearsonvue.com/hpe/> and have this information ready: HPE Learner ID or HPE Employee ID (for eligible HPE delegates only).

Testing Center hours at HPE Aspire in Orlando:

- Monday: 8:00am – 5:00 pm (Last entry)
- Tuesday: 8:00 am – 10:00 am (Last entry) & 12:30 pm – 5:00 pm (Last entry)
- Wednesday: 8:00 am –5:00 pm (Last entry)
- Thursday: 8:00 am –11:00 am (Last entry)

Please take note of the different times each day for last entry into the testing room.

We will not be allowing any more candidates into the room after the specified times above.

**Below is the list of exams that will be offered at Aspire.
Please note the shaded exams are for upgrade paths only.**

Hybrid IT

Note: Pre-Requisites are required for ASE, Master ASE, Professional and Expert Level Certifications

| CERTIFICATION | EXAM CODE | EXAM NAME | DURATION | PASSING SCORE |
