

BREAK OUT SESSION

IDENTIFY 2 EVENTS

Identify a school event that the public library does not typically attend.

- This could be a celebration, dedication, fundraiser, performance, etc.

Identify a school event that could be held at the public library.

- This could be something library staff would host (field trip / Hour of Code event);
- This could be using the library as a venue for a school event, such as a lower grade graduation or awards ceremony.

1. What are the two events?
2. Who at the school would need to approve these events?
3. Who at the library could be contacted to make these requests?
4. What would the costs be?

ANSWER THESE QUESTIONS

Select one person from your group to speak / share.

4. What are the time constraints?
5. What are the travel and safety considerations?
6. What promotional opportunities will there be for both the school and public library?
7. What do you hope the students, educators, and family will get out of these events?
