

BETTER SPORT DEVELOPMENT

CRICKET

There is a male and female cricket trial on **Tuesday 24th August** from **10.30am-12pm** at Sobell Leisure Centre. Players who match the standard we are looking for will represent Team Islington at **London Youth Games** on Sunday 12th of September.

For the male team players the maximum age is 01/09/2007 and ideally we would like a combination of Year 7s and Year 8s to attend. For girls it is older at 01/09/2005 but we would still like a mixture of secondary school ages, not just Year 10s and Year 9s.

Please email Daniel.Bank@GLL.ORG to confirm your child's attendance or if they are unavailable for this day but would like to be considered for selection.

Want more cricket?

Re-starting on Saturday 4th of September there is a free session from 1.30pm to 3pm on Saturdays at Finsbury Park with Middlesex County Cricket Club. That activity is for children aged between 8 and 14 years. No need to register, just turn up.

If you are interested in club cricket we are forming a partnership with Highgate Cricket Club. Johan can be contacted on email at cricket@highgate-cricket.co.uk
