

# GRAND HOTEL WIEN

## Grand Hotel Wien

Grand Hotel Wien meets all current requirements and precautions, decided by the Austrian government regarding COVID-19.

Moreover, we ensure to voluntarily implement additional COVID-19 precautionary measures.

- Signposted rules of conduct are displayed in the hotel lobby and in front of every meeting room.
- **Sanitizer**  
Sanitizer is available in the hotel lobby, as well as, in every public and exposable place and all the meeting rooms.
- Cocktail table sanitizer, disposable gloves and signposted rules of conduct in front of the buffet with an organized waiting area and according barrier.
- Public areas, such as restrooms, elevators etc. will be cleaned and disinfected constantly.
- What is more, at the beginning of duty, every employee's temperature will be taken. Only employees with normal temperature are allowed to go to work.
- Grand Hotel Wien offers its employees to COVID test weekly on a voluntary basis.
- All hotel guests and employees must wear a mask in public areas of the hotel.
- In addition, we worked out further hygienic measures for our hotel rooms and suites. Every room and suite will be disinfected with a cold evaporation before arrival. Pens are covered in slipcovers, the remote control will be disinfected separately. All newspapers and magazines have been removed for safety reasons. In every bathroom our guests will find a sanitizer. We, of course, provide Sanitizer in every public restroom and further public areas in the hotel.
- Please be aware that requirements from the government are changing constantly. We guarantee to meet all measurements!

Effective, October 28th, 2020
