We invite you to visit Northwest Arkansas' legendary regional arts and crafts fairs. Each May and October, the fairs will be in proverbial "full bloom" with everything from homemade quilts to handspun sugary treats to antique (and not-so-antique) home décor, handmade gifts and more—all sure to enthrall any visitor.

The communities of Northwest Arkansas are home to more than 8,000 hotel rooms as well as meeting space and large scale convention centers. Business centers, internet access, fitness rooms, swimming pools, meeting rooms, and continental breakfasts are just some of the lodging amenities available. Following a busy day out at the craft fairs, choose from hundreds of eating establishments. No matter what fare tickles your taste buds—homemade pancakes, tea and crumpets, locally roasted coffee, spicy fajitas, tasty Thai noodles or just a simple burger from the local drive through—you will find it here in Northwest Arkansas.

Stop by any of the area's helpful Convention and Visitors Bureau offices. Each office offers maps, guides, brochures, souvenirs, and more to help you make your stay in our region a memorable one.
