Geneva's prominent skyline, stretching across the northern shores of Seneca Lake, is one of the oldest and most beautiful sights to behold within the Finger Lakes Region. Its proud heritage includes historical landmarks such as the Smith Opera House, Federal-style row houses and the Hobart and William Smith Colleges campus. The route is mostly paved, with some dirt roads after leaving the city limits. Geneva's countryside presents sprawling valleys and well-tended farmland that contribute to the area's thriving agriculture industry. After completing the loop, be sure to return to Seneca Lake in time to watch the sunset over that familiar Geneva skyline.
