Happily Ever After starts here—in Hendricks County.

Kayla and Evan are planning a Hendricks County wedding. With a long to-do list, the couple approached Visit Hendricks County for help narrowing down reliable venues and vendors for what will be their grandest adventure yet: Getting married.

The staff at VHC is helping Kayla and Evan identify wedding vendors and a reception location and will help them secure discounted block rates for hotel rooms. VHC is also providing free welcome bags for out-of-town guests staying in Hendricks County hotels. It's a complimentary service that's available to you, too, as a bride and groom planning a wedding here. Just call for details, and let us help you get started!
