Sport Education Grant

2008 BC Summer Games Legacy Grant Information

Supported by the **Kelowna 2008 BC Summer Games Legacy Fund**, the Sport Education Grant is designed to provide financial assistance to local coaches or officials interested in upgrading their training and/or certification beyond introductory levels. The Grant can also be used for local sport organizations to host advanced sport development courses/seminars for local coaches and officials. Examples may include: a level 2 coach pursuing level 3 certification; a referee taking training to instruct other referees; a local sport organization bringing in a special guest presenter to speak at a conference or to a group of coaches/officials.

These funds, totaling \$45,000, will be dispersed through a granting process of \$15,000 annually over a three year period starting in 2010. In the event that these funds are not fully allocated in a given budget year the balance will be carried forward and applied to the next budget year until funds are fully allocated. The Sport Education Grant will be administered by PacificSport Okanagan, on behalf of the City of Kelowna's Recreation & Cultural Services Department.
