GREAT PARKS MAKE GREAT COMMUNITIES!

The Legacy Parks Foundation is a non-profit foundation that works to make ours an exceptional community with extraordinary outdoor and recreational experiences.

The Foundation works to fill the gap between the services and amenities afforded by government funding and those that allow us to fully enjoy the natural beauty, open spaces and recreational activities of our region.

LEGACY PARKS FOUNDATION

We do this by focusing on:

- Advocating for parks and recreational opportunities
- Preserving land and open space
- Enhancing outdoor and recreational experiences

YOU CAN HELP THIS EFFORT BY:

- Making an annual contribution
- Honoring or memorializing a friend or loved one through a gift in his or her name
- Including the Foundation in a will or estate
- Donating land of community value
- Establishing a corporate matching program at your business
- Allocating corporate charitable gift funds
