history

The Bureau was established in 1984 for the purpose of providing information to visitors and vacationers and to promote the hospitality industry in the Valley. The SVVB is governed by a Board of Directors elected from and by the membership of over 350 member businesses. The eleven member Board includes a five member Executive Committee. The programs and policies of the SVVB are approved by the Board of Directors and carried out by a fulltime professional staff reporting to the Bureau's Executive Director.

The Bureau is the official ambassador to all visitors to the Valley area. In addition, the Bureau works closely with the Sonoma Valley Chamber of Commerce, Economic Vitality Partnership, the City of Sonoma, Sonoma County Tourism, and other business organizations, keeping them informed of the status of Sonoma's visitor market.
